Building out characters

1 Hopeless Romantic (Trent)
- Kind of a dick but doesn't see himself that way
- Madly in love with Jessica (Jessica does not reciprocate), looking around the party for her
- Is so tunnel visioned on her that other people have less detail
- Rose tinted View, sees Jessica as absolutely flawless "but baabe, you're perfect"

2 Drama Queen (Quinn)
- Is a bitch
- HATES Jessica for some reason (might have a thing for Trent?), looking for dirt on her
- People she doesn't like are obstacles, people who don't have dirt for her all look the same
- Sees Jessica as a better version of her
- Has a spotlight around her?

3 Wallflower (Allison)
- Friend of Jessica who was convinced to go to this party
- Is NOT having a good time, (maybe a headache?), feels like she's embarrassing Jessica
- Wants to leave, doesn't see anyone as anything other than giant walls
- Very small POV?

4 Party Queen (Jessica)
- Somewhat popular around the circle but she's just a girl
- Came to the party to have fun, brought Allison with her
- Sees Trent, Sees Quinn, probably sees Allison leave
- Decides that staying isn't worth it, leaves
- Maybe Allison apologizes to her? Like "ohh i'm sorry i left i didn't want to embarrass you," Jessica does NOT care

Game starts, Trent is at the entrance of the house.

TRENT:
I'm at a party. I need to find Jessica. Today's the day.

In Kitchen:
Trent: Have you seen Jessica around?
P: Not, really, why?
Trent: I just need to see her.
P: Have you asked Quinn? Pretty sure she's by the patio or something.
Trent: Alright, thank you

With Quinn:
Trent: Have you seen Jessica around?

Q: Why?
Trent: Because I NEED to talk to her.
Q: O…kay, I'm pretty sure she was over by that group of people opposite to us.
With Random Person:
Trent: Have you seen Jesssica around???
P:uhhh…
T: PLEAASE, I nEEEED to talk to her
'P:... I think I saw her over to the right??
T: THannk yoouuuu

With Random Person 2:
Trent: Haave you sseeenn Jessica??
P: yooo dude what's up! it's lit in here!
Trent: Haave you sseeenn Jessica??
P: I think I saw her go into the bathroom not too long ago, man, but chill bro, relax, enjoy the party
[pause, no longer talking to Person]
Trent: I can party any night. I need *her*.

With Allison:
Trent: Have you seeen Jessica??
A: excuse me (leaving)
Trent: … okay, dick.

Scene ends after Allison, Fade to black, scene transitions to Quinn, standing by the couch.

QUINN:
I'm at a party and I heard that Jessica was going to be there. I can't stand that bitch.

(dialogue happens in any order)

Trent Dialogue:
Trent: Hey Quinn, have you seen Jessica?
Quinn: HER!? Why would you want to see her?
Trent: I just need to find her!
Quinn: Well, I don't know where she is… but I think I last saw her over by those guys over there.
Trent: Just let me know if you see her again, okay?
Quinn: …Sure…

With Person one:
P1: Jessica's outfit is so…
Other NPC: I know right, wow!
Quinn: I can't believe she would wear something like that.

P1: Yeah, I can't believe it either, it's sooo… INTERESTING.

With Person two:
(NPCs talking amongst eachother)
P2: blah blah blah blah.
Other NPC: blah blah blah blah Jessica Blah blah blah.
Quinn: Ohh, Jessica? You guys know her?
P2: Yeah, I actually hung out with her about a week ago?
Quinn: Wow, so have you guys heard anything about her?
P2: Just that she showed up late tonight. I think she forced Allison to come too.

With person three:
P1: I heard Jessica forced Allison to come with her.
P2: What an asshole! I saw Allison earlier and she didn't look like she wanted to be here.
P1: Poor girl, I saw Jessica earlier and Allison wasn't even with her! Did she just ditch her?

With person four:
P1: have you ever thought about the way Jessica talks? Something about it isn't right
Quinn: Yeah, it's like she's talking as if she's above everyone else.
P1: That's a great way to put it! I hadn't thought about it like that.

The scene ends after Quinn talks to everyone, scene fades and transitions to Allison, who starts in the bathroom.

ALLISON:
I'm at a party because Jessica wanted me to come. There's too many people here, the music is too loud, and my head's starting to hurt. (maybe make this staggered and glitchy, incomplete? More show no tell) I need to leave.

The scene ends as Allison leaves. Scene fades and transitions over to Jessica, who is out on the patio.

JESSICA:
I'm at a party.

Leaving the Patio:
I think I see Trent over there. Ugh. That guy's so creepy, he's so obsessed with me. I… think I'll head to the kitchen, actually.

Approaching the kitchen:
Allison? [pause] I think I should go check on them.

As Jessica leaves the frame, the Leaving the party Dialogue triggers

Leaving the party:
Jessica: Allison?
A: Oh, h-hey Jessica I, uh, I'm sorry. My head hurts…
J: It's all good. I hope you had fun!
